

Saint John Paul II Catholic School
Summer Reading 2022
Middle School - Rising 7th and 8th Graders

June 6, 2022

Dear Middle School Families,

Recreational reading has numerous benefits including an increased desire to read, improved reading, writing, and memory skills, and a reduction in summer learning loss; therefore, it remains an important part of a student's overall academic success. While summer is a time to relax, I hope that you will take advantage of the time and read some books that we do not get to read during the busy school year. Parents and students can review the included list to determine which books are appropriate and interesting for them.

Students are asked at minimum to read the short story and complete the project for their grade, and select at least 1 of the books from the list below to read, and complete 1 project from the Summer Reading Project Choice Board. Students may choose up to 3 books to read and 3 projects to complete. Additional reading selections may be found on this [website](#). Want to read a book that's not on the list? Email Mrs. Konz with the title and author so it can be approved. Also, be sure to join the Summer Reading Google Classroom (see the link below) for your class in order to share what you are reading over the summer, interact with Mrs. Konz and classmates, as well as submit your project(s).

Projects are due on Google Classroom by August 19, 2022 unless otherwise noted.

Students who complete the minimum reading requirement and submit their projects will be invited to an ice cream social in August. Those students who read additional books and complete their projects will be entered into a drawing for a chance to win some great prizes! Please email Mrs. Konz with any questions and don't forget to periodically check in on Google Classroom. Enjoy your summer and read away!

Sincerely,

Mrs. Konz

Fiction

***A Wrinkle in Time* by Madeleine L'Engle** **256 Pages** **Lexile Level 740**

It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger.

"Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract."

A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
