

## SJPII Family Fact Sheet 08/20/2021

**“Know the Truth and the Truth will set (make) you free.”  
John 8:32**

Dear Families,

Thank you for your attendance at Monday's Back to School Night. It was wonderful and exciting to see everyone. However, it was unfortunate that time was limited, and restrictions for moving about were necessary. Thank you for your understanding and cooperation. The campus cleanup last Saturday was also a huge success. The hard work of the many parents, grandparents, and students on a very hot Saturday morning was greatly appreciated.

As the school year begins, know that necessary precautions to keep families healthy and to continue in-person instruction will be taken. In the past two weeks, a number of students exhibiting virus symptoms have responsibly self-quarantined. Teachers, staff, and students will diligently use face coverings and sanitize surfaces throughout each day. Safety and health protocols will be revisited at least every thirty days. **Please be reminded: If your child exhibits COVID-like symptoms, including a sore throat, please keep him/her home.** Thank you for your understanding and cooperation. Any reported cases or direct exposure should be reported to Deb Lawson [dlawson@jp2catholicschool.org](mailto:dlawson@jp2catholicschool.org).

A very special thank you to the Brower family for their donation of cubbies to the middle school. Once again, the Brower family has generously supplied materials, constructed, and installed a beautiful set of student storage units. Such generosity is the legacy of this school. We are grateful!

We forge ahead mindfully and with faith to achieve our mission: **“the education of the whole child!”**

Caritas in veritate,  
John Donohue
